

# CORN PRODUCT DATA

## STINE® **NEW** MX522-0 BRAND

Stine® MX522-0 brand corn features Stine conventional genetics, premium seed protection for fast starts and outstanding early-season growth. It performs best in high population, narrow-row environments, but works well in any row configuration. MX522-0 features a medium to medium-tall plant height, has a good disease package and is highly recommended on loam soils.
