

CORN PRODUCT DATA

STINE® **NEW** MX320-G BRAND

MX320-G brand corn is a fuller-season version of our new MX280-0. It features very good roots and stalks to provide season-long standability. These genetics respond to higher planting populations and in-season management. MX320-G achieves optimum performance in its zone and north of its zone, and it works well in all row configurations. Supply will be limited.
